

## Amendments for January 8 2025

### New Business

#### **Changes:**

Jeff received an e-mail from Lowville asking if the Town of Watson would be interested in having a meeting/discussion about **Lowville connecting to the Town of Watson water line.** It is proposed that the Town of Lowville would buy water from the Town of Watson. The Board has stated that they would like more information. A meeting will be set up for the future.

Jeff will attend a meeting with the County about Compressed Air Energy (CAESS) later this month.
