**NEW BUSINESS**

**Todd Waugh introduced ideas regarding community based enhancement. This would entail getting people together for fellowship. This would be on the corner of Kuntz Rd. and Pine Grove Rd. hopefully, to be finished in August of this year. Nettie explained that in our comprehensive plan we are hoping for a bike/walking trail, ATV/snowmobile trails, etc. So, something of this nature Todd indicated, would be beneficial to the community.**

**Todd also asked about a concert and would this be possible? Nettie stated that noise would need to be thought about as far as the neighbors are concerned and to have it last no later than a reasonable hour.**

**Consensus agreed that this was a great idea.**
