All charges and fees will be sent to the property owner for payment.

The customer/property owner shall notify the Town Clerk, in writing, of any change in occupancy. No adjustment of bills will be made by the district as between owners unless 10 days' notice, in writing, prior to change of occupancy has been given to the Town Clerk. The Town of Watson will always bill the property owner regardless of the situation, because unpaid water and sewer charges are re-levied as taxes on the actual parcel of property. The owner is always responsible for payment. Any arrangements made with a tenant are strictly between landlord and tenant. The Town of

Watson cannot put the bill in a tenant's name or mail them the bill. If your water bill appears high, please check for leaks inside of the dwelling before contacting the Town of Watson Water Department.
