The Agenda for tonight's meeting was approved by motion made by Dan Root, seconded by Judi Houppert. All in favor.

The Feb. 15 2022 minutes were read and not approved by motion made by Nettie seconded by Dean. These will be corrected and reviewed again at the April meeting. All in favor.

The Feb. 15, 2022 Public Hearing minutes for Mary Lou Guignard's dairy barn were read and it was felt that the original copy of the County's information is to be copied and pasted into the Public Hearing minutes along with our responses and we will re-examine them next month. Motion made by Nettie, seconded by Dean.

The tower review - Judi has worked on this. Nettie asked what are the local resources we have around the area. This should be ready to go to the County.

County Law Update - An update was sent to Jeff Hoch and he felt it was a good idea. We should get going on this and move it right along.

Adjournment:

Motion to adjourn made by Dan, seconded by Judi at 8:00 p.m. All in favor.
